head coach

Head coach Mark Montgomery embarks on his eighth season at the helm of the Ladies softball program. In just seven years, Montgomery has brought the Centenary squad from an independent team to an NCAA tournament contender

and is the winningest softball coach in Centenary softball history.

Under the direction of Montgomery, Centenary has become a successful program that has registered over 30 wins in five of the last seven seasons, while reaching the NCAA tournament twice. Montgomery and the Ladies enter the 2010 season after coming off a 32-23 finish in 2009.

The Ladies have never posted a mark below .500 in Summit League play, while Montgomery has led. In fact, only one season came close as Centenary finished 6-6 in league in 2007 due to the loss of six games because of inclement weather.

In 2009, Montgomery led his team a 32-23 mark and a third place regular season finish with a 13-9 league record. The 2008 season proved to be a strong year as the Ladies ended at 34-26 and garnered a first place seed in the league tournament after boasting a 17-9 league record. While 2007 wasn't a winning season, the Ladies were still able to make the tournament after registering a 22-27 finish overall.

During Montgomery's first three seasons, he guided the Ladies to 98 wins and a second place regular season league finish in all three years. Centenary completed the 2006 season at 31-25 and 13-9 in league play.

Highlighting Montgomery's accomplishments are 2004 and 2005 seasons where he coached the La-back-to-back conference tournament titles and an berth twice.

In the 2005 season, the Ladies posted a 35-28 mark and placed a career high seven players on the All-Conference team. Though what proved to be impressive was the 2004 season, where Montgomery exceeded expectations as the head coach, tying the most wins in a season at 36-28.

With the top finish in the Mid-Con, the Ladies garnered Pitcher of the Year and Newcomer of the Year honors as well as four players being named to the All-Conference first team. After advancing to the NCAA tournament, the Ladies battled #1 Arizona, coming close to a near upset after leading 1-0 through six innings. Their impressive run ended in a 2-1 loss to the Wildcats.

During his time at the College, Montgomery has excelled in guiding his Ladies to wins over powerhouse conferences including the SEC, Big 12, Big 10, ACC and Big East.

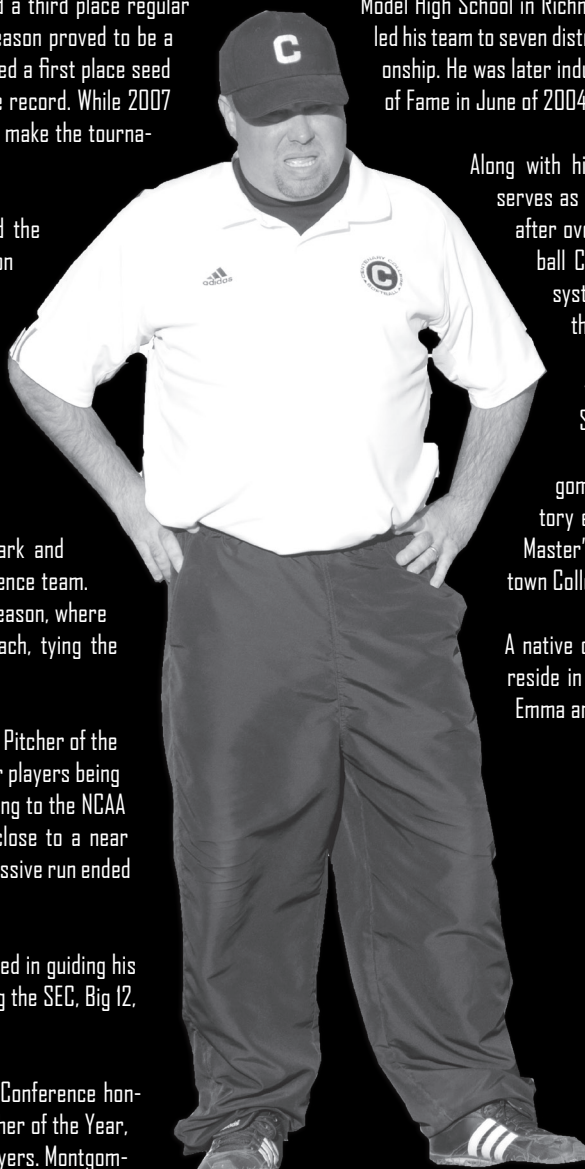

While at Centenary, Montgomery has coached 23 All-Conference honorees, two Newcomer of the Year recipients, one Pitcher of the Year, two Tournament MVPs and several All-Tournament players. Montgom-

ery has also guided outfielder Micah Rhodes to NFCA All-Region recognition.

Since his arrival, Montgomery has also worked hard to ensure his athletes are focused on winning with high academic standards. As many as 11 Ladies in one spring term have been named to the League's All-Academic team and to the Commissioner's List of Academic Excellence.

Montgomery joined Centenary in August of 2002 after spending the two previous years as the head coach at Georgetown College in Kentucky. Under his leadership, he guided the Tigers to a 72-31 record in two seasons, while advancing to the NAIA Regional tournament both years. He was named Mid-South Conference Coach of the Year in 2002.

Prior to Georgetown, Montgomery served as an assistant coach at the University of Kentucky in the 2000 season. Throughout the 1990s, Montgomery was a successful high school coach at Lafayette High School in Lexington, Kentucky and Richmond Model High School in Richmond, Kentucky. While at Lexington, Montgomery led his team to seven district titles, five regional titles and a state championship. He was later inducted into the Kentucky High School Softball Hall of Fame in June of 2004.

Along with his coaching duties at Centenary, Montgomery serves as the Assistant Athletic Director for Development after overseeing a major renovation to the Ladies Softball Complex in 2009, including new dugouts, sound system, and a brick backstop as well as implementing the start of Centenary's C-Club, the primary club for the Athletic program. He also played a financial role in helping obtain membership into Summit League.

Montgomery received his Bachelor of Arts degree in history education from Eastern Kentucky in 1992 and a Master's Degree in secondary education from Georgetown College in 2000.

A native of Kentucky, Montgomery and his wife, Melanie, reside in Shreveport with their three daughters, Bailey, Emma and Adrienne.

mark **lambert**

associate

Mark Lambert begins his first season as the Associate Head Coach of the Centenary softball program. His duties will include assisting with on-field coaching, manage the Ladies' strength and conditioning program as well as serve as the recruiting coordinator.

Lambert comes to Centenary directly from Captain Shreve High School in Shreveport, where he served as the head coach for six years. Lambert strengthened the program and guided his team to the playoffs in four of his six seasons as the head coach.

With 11 years of fastpitch softball experience, Lambert is no stranger to the game. He has coached at Huntington High School in Shreveport, leading his team to the state championships as well as beginning a program at Youree Drive Middle School.

Lambert has also played a huge role in developing competitive softball in the community, starting Extreme Fastpitch, a local travel ball team with ages ranging from 12 and under to 18 and under.

Lambert and his wife, Tina, reside in Shreveport with children, Teighlor, Tori and John Mark.

joanna **armour**

assistant

Joanna Armour enters her first season as an assistant coach for the Centenary softball team. Her duties will include assisting with all aspects of the program.

Armour is currently a science teacher at Southwood High School in Shreveport. She comes to the Ladies softball team directly from Southwood where she served as an assistant softball coach during 2008-09. Prior to Southwood, Armour spent the 2007-08 season as an assistant coach at Parkway High School.

Before moving back to Shreveport, Armour was the head softball coach at Westbrook High School in Beaumont, Texas during the 2005-06 and 2006-07 seasons. Her team won a district championship in 2007 and was ranked sixth in the state of Texas.

As a former student-athlete, Armour played softball all four years at Louisiana College, earning a Bachelor of Science degree in Biology with a minor in Chemistry.

Armour started all four years for the Lady Wildcats. She earned All-Conference, All-Region, All-Division and All-American honors. During her time at Louisiana College, she set three homerun records and as named Division Hitter of the Week several times.

She graduated from Parkway High School in 1999. At Parkway, Armour was a four-year starter at third base and was named All-City MVP, All-State, and All-District MVP.

Armour is a native of Shreveport. She is the daughter of Joel and Anna Beth Crowson and has two sisters, Whitney and Meredith. Armour currently resides in Shreveport with her son, Dakota.

Ladies softball facilities

The Centenary Softball Complex has evolved into one of the finest collegiate playing venues in the region after several recent renovations. The Ladies are proud to call the Centenary Softball Complex home and the softball program wishes to thank everyone who made the improvements possible.

The complex offers brand new dugouts, a new press box, a new backstop with netting, a new sound system, and a reconfigured visitor's bullpen. The facility also includes a lighted and covered three-tunnel batting cage, a dual home bullpen, and wireless internet. Restrooms and a concession stand for the fans are located just steps from the bleachers.

Centenary hosted the 2007 Mid-Continent Conference Softball Tournament, and prior to the big event, a new brick backstop was built. The old chain-link fence was removed and the new backstop was designed to go from dugout to dugout. It sports a classic brick look on the outside that faces the fans and the inside is painted green to blend in better with the field. Netting was hung to protect the fans, but it also provides better viewing as the netting is thinner than the old fence.

Also installed in time for the tournament was a new sound system. A set of four top-quality speakers were hung, two at each end, to the new backstop. The directional speakers pro-

vide a great sound to the players and fans alike, and can be controlled to maximize the overall experience of any visitor.

Phase two of the softball field project began in the fall of 2007 when the dugouts were torn down to make way for two new ones. The newly designed dugouts are longer and deeper to accommodate more space for the teams. The home dugout also has a storage unit affixed to the south side of it. Both dugouts are lighted, have beautiful new benches, helmet and bat racks, and were painted Centenary maroon on the inside.

The dugouts were not only widened and lengthened, but set to a new angle to allow fans in the bleachers an optimal view from their seats. In addition, the press box was affixed to the visitor's dugout and was also widened and lengthened. The press box is equipped with shatter-proof sliding glass doors and a heating and cooling system.

Wireless internet was installed at both the baseball and softball complexes upon completion of the softball dugouts, which allows the broadcast of all Centenary Ladies home games via live audio stream through www.GoCentenary.com.

We hope you enjoy your visit to the newly renovated Centenary Softball Complex and we thank you for your continued support of the Ladies Softball team!
